Dear Effa: I haven't meant to be all these days in writing to accept your kind and thoughtful invitation to be your guest at the opening game of the season on next Sunday. Tr. (I take it that you were including Ray) would love to come!

It is more than probable that my friend Clotie Ferguson will be over from Pa. for the week end. In the event that she is here, could I arrange to buy a ticket for her. so that she may be seated with us?

We shall be looking forward to seeing you and enjoying a swell game on Sunday.

Again, thanks to you for thinking of me.

Roy sends regards to both you and Mr. Manley.

Sincerely

Minnie B. Wilkins
